**REQUEST FOR CONSIDERATION OF
TIMELY FILED INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

Upon reviewing this application, it has come to the attention of the undersigned that all of the prior art which was timely and properly made of record in this case has not been substantively considered by the Examiner. Specifically, the Applicant prepared and timely filed an Information Disclosure Statement, along with PTO Form-1449 and copies of the necessary citations (a copy of the returned postcard, the submitted Statement and PTO Form-1449 is attached, if copies of the citations are again required, please immediately contact the undersigned), under a May 15, 2002 Certificate of Mailing date. The Examiner has not confirmed to the undersigned, by signing and returning a copy of PTO Form-1449, that such references were substantively considered. Accordingly, the Applicant respectfully requests the Examiner consider the same at this time.

It is submitted that the allowed claims are distinguishable over all of the prior art of record, including these references which were not previously considered. However, in the event that the Examiner believes further prosecution of this application is warranted in view of this newly considered art, the Examiner is invited to withdraw this case from issue and provide the Applicant with a further action on the merits.

09/954,765

As all of this prior art was previously made of record in this case in a timely manner, it is respectfully submitted that Petition and/or an official fee is not necessary and the Examiner is required to substantively consider the same at this time. If any further action on the part of the Applicant is required in order for the Examiner to substantively consider this art, the Examiner is respectfully requested to contact the undersigned attorney immediately.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
